This literature stand features adjustable pockets for displaying multiple publications. Choose to offer strictly 4"x9" flyers, 8-1/2"x11" magazines or various combinations of both. This literature stand, also called a leaflet holder or brochure rack, features wire pockets with a divider hook. The tiered wire pockets, along with the clear acrylic front panel make for an effective and space-saving floor rack. With the hooks in place, this literature stand can hold 45 different tri-fold brochures. The hooks also detach to allow for 8-1/2" x 11" literature as well!
