________________________________________________________________________
INTRODUCTION

Malnutrition was widely prevalent in India among growing children. Nutritional deficiencies and their incidences among children of school-going age group cannot be neglected. Malnutrition not only gives rise to morbidity and mortality, but also prevents a child from developing in a fully functional adult. It adversely affects education in the following ways: i) A malnourished child is less likely to attend school regularly. ii) Even if such a child does attend school, he/she finds it difficult to concentrate on and participate in teaching-learning activities well enough. He/She therefore, tends to drop out inter alia, because of the inability to cope up with. iii) Even if the child does not actually drop out, his attainment levels tend to be low. Programme of providing Mid-Day Meal in Schools is designed to help UEE in the following ways: i) By improving enrolment and regularity of attendance. ii) By reducing drop-out and iii) By improving children's level of learning and self-esteem. National Programme of Nutritional Support to Primary Education (commonly known as the Mid-Day Meal Scheme) was launched as a Centrally Sponsored Scheme on 15th August, 1995. Its objective was to boost Universalisation of Primary Education by increasing enrolment, retention and attendance and simultaneously impacting on nutrition of students in primary classes. It is being implemented in Maharashtra since 1995-96 onwards. However, the nature of scheme was changed in the right decision of Hon. Supreme Court in Writ Petition No. 196/2001, wherein instead of dry rice the cooked meal was to be given to children on all school days. In 2002, the scheme was implemented in 15 tribal districts of Maharashtra; however, the scope of implementation was extended to all districts of Maharashtra in January, 2003. The scheme implemented for children in Std I to V in Government schools, schools run by local bodies, Government aided private schools and students enrolled in Education Guarantee Scheme Centre i.e. Vastishalas and Alternative and innovative Education Centre i.e. Mahatma Phule Education Guarantee Scheme Centers. As per Government of India Guidelines, Mid-day Meal Scheme is extended by Govt. of Maharashtra to cover children in upper primary (VI-VIII) classes in 43 educationally backward blocks in 10 districts of Maharashtra State from 1st January 2008. Now this scheme is being implemented all over Maharashtra state from September, 08 and onwards.

A centrally sponsored scheme namely midday meal scheme is being implemented in the state since decade. The scheme is popular in rural as well as urban areas in the state. The food-grains items are supplied to the schools and cooked meal is provided to the students.

It is found the necessities of the storage container to be provided to the schools in rural areas and accordingly it has been decided by the Government of Maharashtra with concurrence of Central Government to provide Airtight Container for Storage of food Grains to the schools of local self Government as well as aided private schools wherein mid day meal scheme is being implemented.

SECTION (II)
SUBMISSION OF SAMPLES FOR LABORATORY TESTING

NAME OF WORK: Supply of Airtight Containers for Storage of Food Grains for Schools under Mid Day Meal Scheme in Rural Area of the state of Maharashtra.

1) SUBMISSION OF SAMPLES FOR LABORATORY TESTING:
A) Should have to submit samples of Airtight Containers for Storage of Food Grains with embossed/Printed their Trade Mark/Logo/Brand Name on the sample.
B) Should submit their samples of Airtight Containers for Storage of Food Grains for Laboratory testing in Govt. Authorized/Recognized Laboratories on or before the date mentioned in detailed tender notice at the office of DPEMS. The expenses towards the testing of samples born by the bidder for which a Demand Draft (Non Refundable) as mentioned in NIT shall be submitted to DPEMS along with samples.

2) UNIT VERIFICATION:
   The DPEMS / his committee shall carry inspection of manufacturing unit and satisfactory inspection report by the DPEMS / his committee is essential to qualify in technical bid criteria. Prospective bidders have to submit their manufacturing unit details, machines and dye etc. with the details, contact number & address etc. Bidder must have to show production of the said item to the committee at the time of inspection. The expenses of inspection of manufacturing unit shall be borne by the respective bidder. The amount for unit verification is non refundable.

3) The Manufacturer should have facility of separate Laboratory for inspection and quality control within the premises of factory. Facilities for following tests are required.
   1) Water filling test
   2) Material Thickness Test
   3) General Appearance Test of Product As per drawing

Note: The laboratory testing report of sample and satisfactory report of unit verification is necessary for bidders to qualify in technical scrutiny.
SECTION (III)
BID OPENING AND EVALUATION

NAME OF WORK: Supply of Airtight Containers for Storage of Food for Schools under Mid Day Meal Scheme in Rural Area of the state of Maharashtra.

1) BID OPENING:

The bids will be opened on prescribed date and time as per NIT as intimated. The bidder/authorized representatives may remain present at the date, time and place stipulated in Detailed Tender Notice. Following procedure will be adopted for opening of bids.

1) First of all information about number of bids received will be announced.
2) The technical bid will be downloaded by the bid opening authority to check their validity as per requirements. If any particular document of any bid is either missing or does not meet the requirements specified, then a note to that effect will be made by the bid opening authority. The DEPMS will carry out the process of scrutiny and analysis of various documents/data received in technical bid.
3) The DPEMS shall obtain the report of samples provided by the bidder from the Laboratories authorized by the Government. It is essential to qualify in technical bid criteria.
4) The DPEMS / his committee shall carry inspection of manufacturing unit and satisfactory inspection report by the DPEMS / his committee is essential to qualify in technical bid criteria.
5) The financial bids of bidders, who do not pass through technical bid validity requirements including laboratory testing of samples & inspection of manufacturing unit, shall not be opened and a note to that effect will be made.
6) After analysis and scrutiny of the documents with respect to the requirements of the bidding is over, the Employer shall declare the outcome of the scrutiny and will open financial bid of the bidders whose technical bid satisfies the qualification criteria.

2) JUSTIFICATION OF BID:

To assist in examination, evaluation of bid, the Employer may ask bidders individually for clarification of their offer including break up costs, reasons in case of very high / very low offer. Such request shall be in writing and response shall also be in writing. But no change in price or substance of the bid shall be sought, offered or permitted.
3) BID LIABLE FOR REJECTION:
   a) The bid is likely to be rejected if on opening it is found that the bidder has not strictly followed the procedure laid down for submission of bid.
   b) The bidder has proposed conditions, which are inconsistent with or contrary to the terms and conditions specified.
   c) Additions, deletions, corrections or alterations made by the bidder on any page of the bid document, without affixing signature / initials.
   d) Any page or pasted slips are missing.
   e) The bidder has not signed each page of the bid.
   f) The bidder has specified any additional condition.
   g) The bidder has not attested all papers as stated in this document.
   h) The bidder has not attached all documents as stated in ITB.

4) BID EVALUATION PROCESS

Proposals will be reviewed by the DEPMS Committee. The final awarding of the contract will be done based on **Lowest Bid**. The following is the procedure for evaluation:

a) **Technical Evaluation:**

This stage of the evaluation will be an assessment of the technical bid. DEPMS will proceed to a detailed technical evaluation of bidders in order to determine whether they are substantially responsive to the requirements set forth in the Request for Proposal or not. In order to reach such a determination, DEPMS will examine the information supplied by the Bidders, and shall evaluate the same as per the Technical evaluation criteria specified.

i. The Technical Bid Opening Committee will open all the parts of Technical Proposals, in the presence of Bidders or their designated representatives who choose to attend, at the time, date, and location, to be intimated by DEPMS. The Bidders representatives who are present shall sign the proforma evidencing their attendance.

ii. The Technical proposal should not contain any information regarding price bid. Technical bids containing price bid information will be summarily rejected.

iii. A Proposal shall be rejected at this stage if it does not respond to important aspects of the RFP, and particularly the Scope of Work or if it fails to comply with the technical requirements.
iv. After the technical evaluation is completed and approved, DEPMS shall inform the Bidders, who have submitted bids, the detailed compliance of their Technical Proposals, and shall notify those Bidders whose Proposals did not meet the minimum technical criterion or were considered non responsive to the RFP and Scope of Work, that their Commercial Proposals will not be opened. DEPMS shall simultaneously notify in writing or by email to Bidders that have complied with the technical criterion specified in the RFP the date, time and location for opening the Commercial Proposals.

v. Evaluators of Technical Bids shall have no access to the Commercial Bids until the technical evaluation is concluded and the same is approved by the appropriate committee.

vi. Samples of the all bidders will be inspected by the authorized/govt.approved laboratory for technical scrutiny of the bids and also the factory inspections shall be conducted as technical scrutiny of the bid submitted by the bidder.

b. Commercial Evaluation:

Based on the results of the technical evaluation, the committee will then proceed to open and evaluate the Commercial bids of only those bidders who are able to qualify the Technical evaluation. The Commercial evaluation will take into account the information supplied by the Bidders in the Commercial Bid, and the same shall be evaluated in accordance with the evaluation criteria specified in this document.

i. Please note that the commercial bid should not be conditional and no technical information should be provided along with the commercial bid. In such cases, the bids would be summarily rejected.

ii. The financial evaluation shall be based on Lowest Offer. Lowest bidder will be adjudicated as the “Best Value Bidder” for award of the contract. The cost should be a separately quoted as net price of the product, Central Government tax, State Government tax and transportation cost.

Note: A substantially responsive Bid is one, which conforms to the requirements, terms, conditions and specifications of the Request for Proposals without material deviation. For the purpose of this RFP a material deviation is defined as one which affects in any substantial way the functionality, scope, quality, or performance of the Deliverables, or which limits in any substantial way, inconsistent with the Request for Proposals, Corporation’s rights or the Bidder’s obligations for, performance of the Project and the rectification of which deviation would affect unfairly the competitive position of other Bidders presenting substantially responsive Bids.
5) COMPARISON OF BIDS:

The Employer will compare the rate quoted by the bidder for Airtight Container for Storage of Food Grains for each sizes (i.e. Type A (Minimum Storage Capacity 50 KG), Type B (Minimum Storage Capacity 100 KG), Type C (Minimum Storage Capacity 200 KG) and evaluate bids by following process.

(i) Price for all sizes of Airtight Container for Storage of Food Grains must be quoted by the Bidder; if not then such partial bid will be rejected.

(ii) For comparison of bid total price quoted by bidder in column 7 of commercial bid will be considered.

(iii) Total of all three A, B and C types of Airtight Container for Storage of Food Grains shall be done

(iv) According to the total price quoted by the bidder, the ranking of Lowest one, Lowest two, Lowest three, Lowest Four etc be done for all bidders.

(v) Lowest one bidder shall be declared successful

(vi) However, if any bidder who have quoted rate of any particular one type of A or B or C type Airtight Container, which is more than 10% lower than L1 bidder for that particular item then, for that particular type of Airtight Container, the said bidder shall be declared as successful bidder and supply order will be divided accordingly for benefit of the state exchequer.

6) AWARD OF CONTRACT:

1) AWARD CRITERIA: The Employer will award the contract to a bidder / bidders whose bid has been found to satisfy all the requirements of bid document and who has offered the lowest price.

2) Deciding Award of Contract: the process of decision and award of contract shall be done as specified in above clause.

a) Only bids that qualify the qualifying criteria as per detailed tender notice shall be considered for further evaluation. The decision of employer regarding the pre qualification and opening of bids shall be final and binding on all bidders.

b) The Employer reserves the right to reject any or all offers received from the bidders without assigning any reasons.

7) EMPLOYERS RIGHT TO REJECT:

The Employer reserves the right to accept or reject any bid, to cancel the bid process
and reject all the bids at any time prior to award of contract without thereby incurring any
liability to the affected bidders or any obligation to inform affected bidders of the ground of
Employer's action.

8) NOTIFICATION OF AWARD:

Prior to the expiration of bid validity period or any such extended period, Employer will
notify the successful bidder in writing by a letter that his bid has been accepted. This letter
(herein after called as letter of acceptance) shall name the sum, which the Employer will pay
to contractor as prescribed in contract. The notification of award will constitute formation of
contract. Upon furnishing the performance security by the successful bidder & after signing
the contract agreement, the supply / purchase order will be issued by the Director, Primary
Education, Maharashtra State, Pune. EMD of unsuccessful bidders will be return within 10
days from date of issue of Acceptance letter to successful bidder.

9) PERFORMANCE SECURITY:

1) Within 15 days of receipt of Letter of Acceptance; the successful bidder shall deliver to the
Employer a performance Security of 3% of total value of Contract in the form of Nationalized
Bank’s Bank Guarantee or Original FD or DD.

2) Failure of the successful bidder to comply with the requirements of performance security
shall constitute sufficient ground for cancellation of the award and forfeit of Earnest Money
deposit.

3) EMD amount will be returned to the successful bidder only after receipt of performance
security within 10 days.

10) CORRUPT OR FRAUDULENT PRACTICES:

DPEMS requires that the bidders shall observe the highest standards of ethics the
execution of the contracts. In pursuant to this policy, DPEMS defines, for the purpose of this
provision, term set forth as below

i) “Corrupt Practice” means the offering, giving, receiving or soliciting of anything of value to
influence the action of the public official in the procurement process or contract execution; and

ii) “Fraudulent Practice” means a misrepresentation of facts in order to influence a
procurement process or execution of the contract to the detriment of the Employer.

a) DPEMS Will reject a proposal for award, if it determines that the bidder recommended
for award has engaged in corrupt or fraudulent practices in competing for the contract
in question.

b) DPEMS will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded any DPEMS contract, if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing DPEMS contracts.
SECTION (IV)
