For Very High Back
Front Pivot Synchro Mechanism:
This mechanism helps you experience the effect of your body angle opening out, for maximum relaxation, while your feet remain firmly on the ground.

5-Position Locking:
The backrest can be locked in 5 different positions, giving you firm support for concentrated work. Its anti-shock mechanism prevents the backrest from impacting the user when the lock is released.

Moulded Foam
The seat and the backrest are made up of moulded polyurethane foam of the right density and which not only gives you a soft feeling on first contact but also provides a firm support to ensure hours of comfortable seating.

Swivel Mechanism
The swivel mechanism allows for a complete 3600 lateral movement. This prevents you from straining over your shoulders and back to reach out for papers and phones kept on either side of your table, ensuring mobility while working.

Twin Wheel Castors
The twin wheel castors facilitates ease of movement.
